Experience

SFMOMA, Graphic Design Internship
June 2026 - Present
Supported exhibition identities across invitations, visitor materials, gallery labels, and other in-person touchpoints. Contributed to print and spatial design systems that created clear visual experiences for museum audiences.

Yung Studio, Graphic Design Internship
June 2025 - September 2025
Supported large-scale visual identities, motion assets, and production design for global music and cultural projects, including work for Lady Gaga's MAYHEM, Haus Labs, and Avos Capital Management.

RISD Design Guild, Graphic Designer
October 2024 - June 2026
Collaborated on multidisciplinary design and production at RISD's in-house design studio, contributing to initatives such as Commencement 2025 and Yearbook 2025 and 2026 identity across print, digital, and environmental applications.

RISD Volume.1, Design Director
August 2024 - June 2026
Led the publication's visual direction, collaborating with editors and writers to develop themes, layouts, and systems across three issues per year, guiding each edition through print production.

Problem Library, SF , Freelance Graphic Designer
June 2020 - Present
In collaboration with Daniel Lucas, I developed the identity for Too Much Information (TMI), helping translate the core concept into a cohesive system that could adapt across the project's different touchpoints.
